EXECUTIVE OFFICE
STATE OF MISSOURI
JEFFERSON CITY

JOHN M. DALTON
GOVERNOR

TO OUR GUESTS USING MISSOURI HIGHWAYS:

On behalf of all Missourians, I would like to welcome you to our State and express our sincere pleasure in having you visit our State. We trust you will have an opportunity to visit some of Missouri's many lakes, streams, State Parks and other scenic attractions, as well as our historical sites and metropolitan areas.

Missouri – as the result of its geographical and historical position as a border State and also as the frontier at the time of the great pioneering – has a unique heritage. You will find embodied in our State and people characteristics of the industrial North and agricultural South, along with the culture of the East and the vigor of the West.

These varied influences have brought about a broad diversification of activities that will make your stay with us an interesting one. We hope that you will enjoy such features as our excellent hunting, fishing and other sports facilities, or the attractions and conveniences of our major cities.

We only request that you respect our laws and exercise caution while driving on our highways.

Sincerely yours,

John M. Dalton

Governor of Missouri

MILEAGE CHART

To find the distance between any two towns listed on the mileage chart, select the one that comes first in alphabetical order and follow down the vertical column of figures from this name until you reach the horizontal row of figures leading across to the other name. At this intersection you will find the approximate distance in miles between the two points, by the shortest or most practicable route, following numbered highways. Distances shown are between Central Business Districts. See yellow band on chart for example.
